• from £2001 - £3000	£385
• from £3001	£480

* For those on state benefit or in special cases, this fee can be negotiated

PLEASE GIVE THIS VERY CAREFUL CONSIDERATION

How to determine your fee

Use your global family monthly income (after taxation) to place yourself on the sliding scale above according to what you feel is realistic and reasonable for your particular situation and, at the same time, fair to everyone concerned.

How the fee scale is determined

PRH England is a non-profit making organisation. Three considerations determine growth group fees:

- that PRH personal growth be available to as many people as possible
- that PRH Educators be able to live from their work
- that PRH England covers its running costs

What the fees cover

- the Educator's fees
- course materials
- running costs of PRH England

When payment is due

Please make sure your payments have been received or instalments discussed with Robina by the dates mentioned on our letters. First instalments/full payment will be due before the first monthly meeting.

Payment options

Several payment options are available for those that find it inconvenient to pay the full cost at the beginning of the year. These will be sent on confirmation of your place, unless required beforehand.
