PRH England is a non-profit making organisation. Three considerations determine workshop fees:

- that PRH personal growth be available to as many people as possible
- that PRH educators be able to live from their work
- that PRH England covers its running costs

**What the fees cover**

- educator’s fees
- workshop materials
- running costs of PRH England

## How to determine your fee

### Step 1

Take account of the date on which you are registering. Then choose which tariff, from the column below that date, that you feel is realistic and reasonable for your situation but, at the same time, fair to the facilitator and in a spirit of community collaboration.

PLEASE GIVE THIS CAREFUL CONSIDERATION

If you are unable to cover the lowest proposed tariff you may apply for a grant from the PRH Bursary (subject to availability). Forms are available from [info@prhEngland.co.uk](mailto:info@prhEngland.co.uk) Please note that early application is advised, and it must be negotiated and agreed upon before payment is due.

### Step 2

Return your completed application form, having paid either your £50 deposit (non-refundable) or full payment, as applicable.

If in Early Bird period, then the balance can be paid at that time or any time before the 16<sup>th</sup> August 2022.

Balance payments made after 16<sup>th</sup> August will incur a £15 administration charge.

Payments to an incorrect account or payee, or shortfall in payment, will incur a £10 administration charge. (both charges can apply concurrently)

### Cancellation Policy

If we have to cancel the event for any reason, you will get a full refund including deposit.

If you cannot attend the event, refunds are not generally issued, but you may be eligible for a partial refund of workshop fees, depending on individual circumstances and closeness to the event. Please note the initial £50 deposit is non-refundable in these cases.
